### APPLICATION FOR 2024 DUST CONTROL

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Telephone Numbers: \_\_\_\_\_

**Address to be treated:**

\_\_\_\_\_

The Anderson County Dust Control Program consists of the application of liquid magnesium chloride to gravel roads in the County. Dust Control Programs are not required in the State of Kansas and Anderson County offers this service to the County residents in an effort to help abate the dust created by traffic. The application of dust control treatment will **not** eliminate dust. The effectiveness and duration of the dust control treatment is dependent on traffic volumes, weather, thickness of gravel, drainage, etc.

This is the only dust control program offered or recognized by the County. The County does not warrant the product in any way and the applicant agrees to hold Anderson County harmless for the failure of this product to control dust; this service will be provided by an independent contractor.

**The deadline to apply for this program is April 12, 2024. Applications received after this date will be returned and not included in this year's program.**

A single treatment application will be used. The exact date of the treatment application will depend on weather conditions and product availability. Dust Control spots will be measured and flagged by Anderson County Road Department after the deadline of April 12, 2024.

The County will make every effort to not disturb the treated area during a period ending on October 1, 2024 **but reserves the right to maintain the road at any time it is determined necessary to provide a safe public roadway. Neither refund nor treatment will be made for shortened dust control treatment life resulting from required maintenance.** After that time, the County will resume normal maintenance operations. Maintenance activities on dust control areas, as with other parts of the county road system, will be solely at the discretion of the Road & Bridge Supervisor.

**Anderson County Road Department**

Ethan Lickteig, Road Supervisor

823 W. 7<sup>th</sup> Avenue

Garnett, Kansas 66032 785-448-3724

FAX: 785-448-3738 E-mail: elickteig@andersoncountyks.org

Please detail any special instructions below. Example: "Start location has changed and is as follows".

\_\_\_\_\_  
\_\_\_\_\_

A **signed copy** of this application with **full payment** for the desired treatment should be sent to:

Anderson County Road Department  
823 W 7<sup>th</sup> Ave.  
Garnett KS 66032

(Make check payable to Anderson County Road Dept.)

The cost for this treatment will be **\$1.50 per foot plus an administrative fee of \$25 per location.**  
**A minimum of 200 feet is required.** (\$1.50 x 200' = \$300.00 + \$25 Admin. Fee = \$325.00 minimum)

I/We hereby request that \_\_\_\_\_ feet of dust control agent be applied to the above listed address for the area to be treated. I/We agree to hold Anderson County harmless for failure of this product to control dust. My check for \$\_\_\_\_\_ is enclosed. I understand and agree to the terms of the Dust Control Program.

Signature \_\_\_\_\_

Date \_\_\_\_\_

**Deadline to apply is April 12, 2024.**

**For Office Use Only:**

Payment received:

Amount (Length x \$1.50 + **\$25.00**) = \_\_\_\_\_

Date: \_\_\_\_\_ By: \_\_\_\_\_

200 feet = \$300	350 feet = \$525	500 feet = \$750
250 feet = \$375	400 feet = \$600	550 feet = \$825
300 feet = \$450	450 feet = \$675	600 feet = \$900
