

LEPC Special Meeting

01/22/2026

The meeting was called to order at 10:00am at the Law Enforcement Center meeting room by Sarah Burkhart with 17 people in attendance and 5 people in zoom. There is a quorum. Ballots were disseminated to vote for 2026 officers. The positions are chairman, vice-chairman, secretary, and information coordinator to be voted on.

The special meeting was necessary due to a no quorum at the December meeting to elect officers for 2026.

Sarah Burkhart suggested offering a zoom option moving forward and will discuss at next meeting. The bylaws will need to be updated with the change.

There is an impending storm coming in over the weekend and Sarah will have the EOC open over the weekend to keep the public apprised of any closures or issues.

With no other business, Sarah ended the meeting. Julie Wettstein and Sarah Burkhart counted the ballots for officers. The elected officers will take office immediately.

The elected officers for 2026 for a two-year term are:

Chairman: Sarah Burkhart

Vice - Chairman: Trent McCown

Secretary: Julie Wettstein

Information Coordinator: Cassie Morrison
