APPLICATION FOR 2026 DUST CONTROL

Name: _____

Address: _____

Telephone Number(s): _____

Address to be treated:

The Anderson County Dust Control Program consists of the application of liquid magnesium chloride to gravel roads in the County. Dust Control Programs are not required in the State of Kansas and Anderson County offers this service to the County residents in an effort to help abate the dust created by traffic. The application of dust control treatment will **not** eliminate dust. The effectiveness and duration of the dust control treatment is dependent on traffic volumes, weather, thickness of gravel, drainage, etc.

This is the only dust control program offered or recognized by the County. The County does not warrant the product in any way and the applicant agrees to hold Anderson County harmless for the failure of this product to control dust; this service will be provided by an independent contractor.

The deadline to apply for this program is April 9, 2026 @ 12:00 PM. Applications received after this date will be returned and not included in this year's program. Office hours are Mon – Fri 7:00 AM – 3:30 PM

A single treatment application will be used. The exact date of the treatment application will depend on weather conditions and product availability. Dust Control spots will be measured and flagged by Anderson County Road Department after the deadline of April 9, 2026.

The County will make every effort to not disturb the treated area during a period ending on October 1, 2026 **but reserves the right to maintain the road at any time it is determined necessary to provide a safe public roadway. Neither refund nor treatment will be made for shortened dust control treatment life resulting from required maintenance.** After that time, the County will resume normal maintenance operations. Maintenance activities on dust control areas, as with other parts of the county road system, will be solely at the discretion of the Road & Bridge Supervisor.

PLEASE RETURN BOTH PAGES WITH YOUR PAYMENT

Anderson County Road Department

Ethan Lickteig, Road Supervisor
823 W. 7th Avenue
Garnett, Kansas 66032 785-448-6745
E-mail: elickteig@andersoncountyks.org

Please detail any special instructions below. Example: "Start location has changed and is as follows".

A **signed copy** of this application with **full payment** for the desired treatment should be sent to:

Anderson County Road Department
823 W 7th Ave.
Garnett KS 66032

(Make check payable to Anderson County Road Dept.)

The cost for this treatment will be **\$1.55 per foot plus an administrative fee of \$25 per location.**

(Minimum 50 ft. increment increases only, not 25 ft. please)

A minimum of 200 feet is required. (\$1.55 x 200' = \$310.00 + \$25 Admin. Fee = \$335.00 minimum)

I/We hereby request that _____ feet of dust control agent be applied to the above listed address for the area to be treated. I/We agree to hold Anderson County harmless for failure of this product to control dust. My check for \$_____ is enclosed. I understand and agree to the terms of the Dust Control Program.
